

## In Memoriam, Mr Ljubo Bešlić

With the passing of former Mayor of the City of Mostar Mr Ljubo Bešlić, UWC Mostar lost a great friend and supporter. Ljubo Bešlić has supported the work of the United World College since its very establishment. Whether as a graduation ceremony speaker, guest of honor at a festival or providing loyal support with our new residences, Ljubo Bešlić will always be remembered with gratitude as a great friend and supporter of our institution.
