

## Mirroring your generosity: Every donation counts twice

You can make a lasting impact on the lives of our aspiring students.

Join our "Dare to Dream" scholarship matching campaign that was generously supported last year by our friends and parents of current students and alumni. We are excited to share that our supporter, Shelby Davis, has extended the matching grant for this initiative.

**This means that every donation you make until December 20th will be matched by Shelby Davis, effectively doubling the impact of your contribution.**

Donate by following the instructions below, and stay tuned for updates on how your contributions are making a difference.

In my language there is a proverb: "If you want to change the world, start changing you." "Dare to Dream" gives me a chance to improve our planet through improving myself by receiving a high-quality education.

UWC Mostar for me is the dream of a daring little girl exploring possibilities in a place she called second home. Taking chances when it comes knocking for a lifelong experience academically and socially and daring to dream the life I craved for and making it a reality.

Dare to dream gave me the courage to take control over my own path overcoming the circumstances which were predestined for me.

Every conversation in UWC is a passport to a novel perspective one has never experienced before.

It is an immersive journey where friendships transcend borders and become the source of cross-cultural symphony, creating a rich learning tapestry.
