Bald for A Cause - Donation Link

"Bald for a Cause 2025"

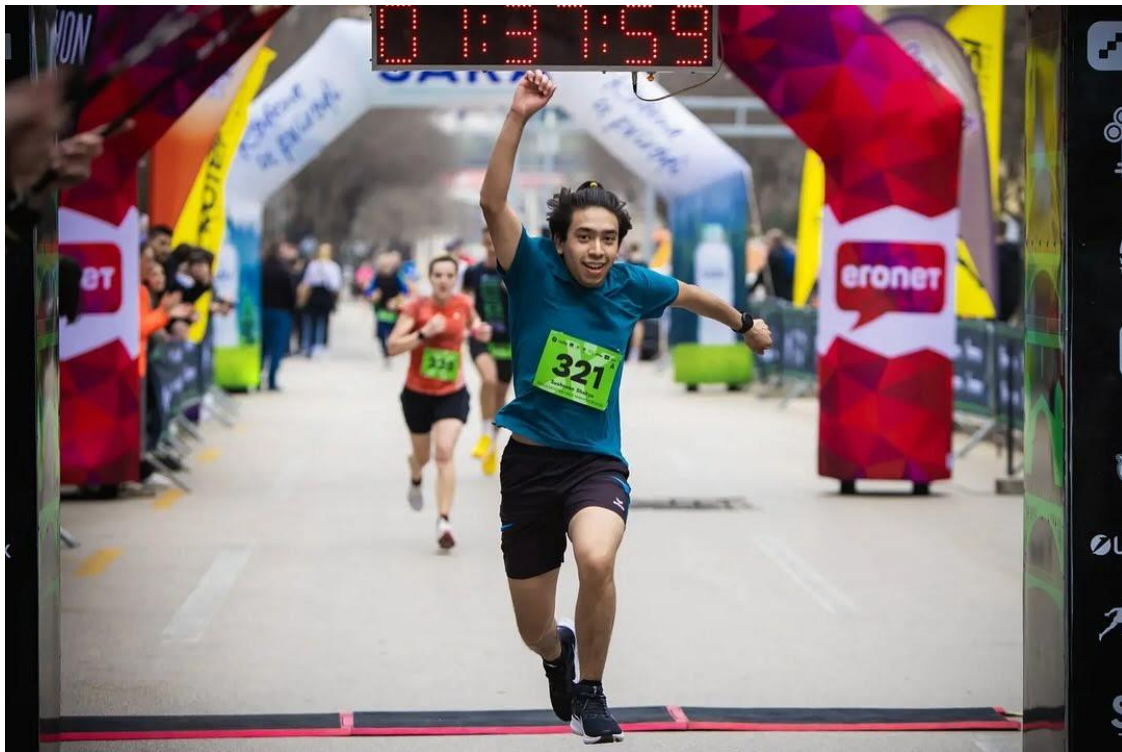

This great student initiated event is taking place for the fifth time and aims towards collecting donations for Association "Novi Pogled" and supporting the Association and their families throughout breast cancer treatments, while raising awareness about the importance of health care.

Hair donated by UWC Mostar students will be donated to "Srce za Djecu" Foundation in Sarajevo and will be used to make medical wigs for patients undergoing treatment.

This act of selflessness not only symbolizes unity with those facing hair loss due to treatment but also helps raise vital funds for medical care, research, and support programs.

Every contribution, big or small, makes a difference!

TEDxUWCMostar 2025: Beyond Borders

At UWC Mostar, we believe in challenging limits, breaking barriers, and redefining possibilities. This year's TEDx theme, "Beyond Borders," invited speakers to push the boundaries—not just of geography, but of thought, identity, innovation, and human connection.

What does it mean to cross a border? Some may explore physical frontiers, migration, and global unity, while others will dive into the unseen boundaries in our lives—societal norms, personal limitations, artistic expression, and even the edges of scientific discovery.
